## **Before Installing TAMS 71488 Interface Version 11.11-1.0 for HP-UX 11i**

**September 2004**

Please read this page carefully BEFORE INSTALLING your TAMS 71488 interface into any of the following HP workstations:

HP C360, C240, C200, C180XP, C180, C160L, C160, C110

DO NOT install your TAMS 71488 card in the 3.3 volt, 66 MHz, 64 bit slots in these workstations. The interface card may be used in the 5 volt, 33 MHz, 32 bit slots.

This card may be used in any PCI or PCI-X slots in other HP workstations, such as the B132L, C3750, or C8000.

Part Number 71488-30000
